

DRINKS

WINTER
SEASON
2021

SPARKLING & WHITE

SCALE	1	2	3
 ACIDITY	How fresh and bright the wine is, cooler climates accentuate this feature in the wine.		
 BUTTERY	The texture of the wine, this character is present in wines that are lean, creamy or full.		
 DRYNESS/ SWEETNESS	Dry wines contain less sugar, hence this is a good marker for the wine's sweetness level.		
 BODY	The power of the wine. A lighter body tends to have a higher acidity, lower alcohol and reduced tannins (see below). A larger body is the inverse.		

RED

SCALE	1	2	3
 ACIDITY	How fresh and bright the wine is, cooler climates accentuate this feature in the wine.		
 TANNINS	The "Siap siap-ness" of the wine, akin to drinking a strong English breakfast tea, a rich & tactile sensation.		
 SPICINESS/ EARTHINESS	A savoury character, typically associated with oak wine barrels, these wines are vegetal, smouldering & rustic.		
 BODY	The power of the wine. A lighter body tends to have a higher acidity, lower alcohol and reduced tannins (see below). A larger body is the inverse.		

Wine corkage is 1 for 1 only (same volume). Not applicable with other promotions.
Happy hour: weekdays 11:30am - 2:30pm and 5pm - 7pm (excludes PH & PH eve).

NAVIGATING OUR WINE LIST

BY THE GLASS/BARREL

Here in Wine90, we provide a unique wine by the Keg system, by renowned producers from their respective regions around the world. Wines from our keg system ensures freshness and also saves the world by reducing the amount of carbon footprint! Save the earth by drinking wines with us!
